

### Immunisation

Travel Immunisation is arranged after a consultation with the doctor/ nurse practitioner. It is advisable to arrange this well in advance before travel and no less than 2 weeks before travel.

### Test results

If your result is normal, please be aware that you will not be contacted. If your result is not classified as 'normal', you will be contacted by the reception staff via SMS or phone call. A letter is sent in the mail if we are unable to contact through these measures. You will be advised if you are required to make an appointment to see the doctor to discuss your results.

### Management of Patient Health Information

The clinic maintains your personal health information with a high degree of security. Only authorised members of staff have access to computers. Doctors and Nurse Practitioners have full access. Our privacy policy is located on our website and at reception if you would like a copy. Transfer of your medical records can be arranged by signing a transfer of records request form from which we will send on your behalf.

### Patient consent and privacy

DIMC complies with the Victorian Health Records Act 2001 and the Commonwealth Privacy Act 1988, together with the Privacy Amendment Private Sector Act 2000. Our clinic has a 'Privacy Policy' which outlines how we manage information about you and how you may access that information. Ask our staff if you'd like a copy. Patients on registration, will be asked to sign our health collection privacy statement.

### Communication of Services

We have limited ability to communicate in a second language, with Italian provided by our reception and nurse midwife. The interpreter service is available and we can arrange this for you. You are also welcome to bring a family member.

### After hours care:

After hours medical care is provided by the National Home Doctor Service (13 7425). Appointments can be made from 6pm weekdays, 12pm Saturdays and all day on Sundays and public holidays. Consultants are bulk billed by the National Home Doctor Service. A report will be sent back to the clinic to ensure continuity of care and appropriate follow up.

### Home Visits

Local home calls are available by contacting the clinic in advance. Limited availability on the day may be available and will be bulk billed. The appointments include home and nursing home and must be booked by calling the clinic on 9484 3154.

### Practice feedback

From time to time this practice invites patients to complete a questionnaire on their views of the practice and how it could be improved. These surveys are completely confidential and help us to improve our services.

Although we try our best, it is inevitable that from time to time a patient may have a complaint about our services. This feedback is very important to us as it alerts us to problems with the service we are providing and drives us to find a better way of doing things. If you have any suggestions, ideas or would like to make a complaint you can either:

- Speak with your GP or Nurse Practitioner
- Let our reception staff know
- Write us a letter/ email to [admin@darebinimc.com.au](mailto:admin@darebinimc.com.au)

However, if you would like to take your complaint further and wish to speak to an external body, you can contact:  
Health Services Commissioner  
Level 26, 570 Bourke Street Melbourne 3000
